Although we teach your child in a relaxed and fun atmosphere, our aim is to teach him/her the basic elements of French at a time when learning languages is easy and exciting. Regular attendance will enable you to make the most of the classes and will enable your child to progress easily from one level to the next.

*We take our role in the education of your child seriously and we would be grateful if you could follow the following guidelines:*

1. Fees are payable on average every 6 weeks and are due in advance on the last lesson of each half-term period. Fees must be paid on time; no later than one week after the due date.
2. Cheques are to be made payable to: *Am Stram Gram*. Cheque Guarantee Cards should be presented with all cheque payments.
3. Should cheques not be honoured, *Am Stram Gram* will pass on to the customers all bank charges.
4. We encourage parents not to bring younger children or noisy toys and keep mobile phone turned off during the lessons.
5. We expect good behaviour from all children at all times.
6. All children are the responsibility of their carers.

I have read and I agree with the guidelines:
